# **Request For Tender** **AMBULANCE STATION ROOF**

The Argyle Fire Department is seeking a qualified individual or company to submit a proposal to replace the roof at the Argyle Ambulance Station in Loring.

The Contractor should submit a quotation for either black steel Roofing, or 25 year shingles. The quotation should include cost of materials and labour listed separately. The roof will need to be stripped back to sheathing and should include full removal of debris from the site to an approved landfill.

The work does not need to take place until Spring 2017, however if weather permits the Board of Directors would approve work taking place this year.

The Contractor shall maintain Comprehensive General Liability Insurance of at least \$2,000,000.00 that protects the contractor from all claims, demands and actions that may be made against the Contractor or employees. Where having employees, must have WSIB coverage. Include WSIB clearance certificate with tender submission.

For information please contact Christopher Ballard 705-757-2475

All tenders must be received by mail by November 10, 2016  
Tender to be awarded November 15, 2016.

Lowest bid will not necessarily be awarded.
