

Loring/Port Loring Community Risk Assessment:

A Public Presentation on Risks to Public Safety

Tuesday, May 14th 6:30pm-8:30pm

Argyle Community Centre, 10812 Hwy 522, Arnstein, ON

How can we improve public safety in Loring/Port Loring?

The Office of the Fire Marshal and Emergency Management (OFMEM) will present its assessment of risks to public safety in the response area for the Argyle Fire Department.

The goal is to enhance understanding of public safety risks and how they are addressed.

The presentation will outline the assessment process, findings and next steps.

Everyone is welcome to attend and become involved in this effort to improve community safety.
