

Funding for community projects for children – Apply for a grant now

Funding from the Canada Post Community Foundation for Children is now available. The annual grant application process is open, and the deadline to receive applications is April 2, 2020.

Registered charities, school programs and community organizations are invited to apply for funding of projects consistent with the Foundation's objective to support initiatives that benefit children.

In communities across the country, Canada Post employees – with the help of their customers – raise money to support local initiatives that will make a positive impact in the lives of children. We are pleased to provide this opportunity to organizations and schools in our communities.
