Noganosh Lake Provincial Park – Noganosh Water Control Structures Rehabilitation & Conversion: Notice to Extend Public Comment Period on a Class Environmental Assessment Category B Project.

Dear Stakeholder,

Ontario Parks hereby provides notice that the deadline has been extended for stakeholders to comment on the proposed Water Control Structure Rehabilitation & Conversion Project in Noganosh Lake Provincial Park.

The Noganosh Water Control Structures Rehabilitation & Conversion is being evaluated using the *Class Environmental Assessment for Provincial Parks and Conservation Reserves* (Class EA PPCR; Category B).

For more information on the project, to submit comments¹, or to request further notice, please contact the undersigned. The comment period has been extended from the original deadline of March 31st, 2022, by 25 days. Your comments on the project will be accepted until the extension deadline of **April 25th, 2022**. A Class EA PPCR Notice of Completion will be sent to those who submit comments or request further notice.

We will carefully consider all submissions when evaluating the project's environmental effects.

When the project evaluation is completed and approved, Ontario Parks may proceed to implement the project without further general notice.

I look forward to hearing from you.

Sincerely,

Cheryl Moore – Park Superintendent, Noganosh Lake Provincial Park

¹Ontario Parks is collecting your personal information and comments under the authority of the Ontario's *Provincial Parks and Conservation Reserves Act, 2006*. Any personal information you provide (address, name, telephone, etc.) will be protected in accordance with the *Freedom of Information and Protection of Privacy Act, 1990*. Your comments will become part of the record of consultation and may be shared with the general public. Your personal information may be used by the Ontario Parks to send you information about future ministry planning initiatives in the park area.
